

Plum Solutions Sydney Venue Information

Sydney workshops are normally held at [Saxons Training Facilities](#) at **Level 10, 10 Barrack St**, which is near the corner of George St and Martin Place in the Sydney CBD. Venues are subject to change, but you will be advised well in advance if this is the case.

Below is a map – Wynyard or Martin Place train stations are nearby. [Public transport](#) is the easiest way of getting around. Parking stations are indicated on the map. A list of a few nearby [hotels](#) is provided below.

The course is scheduled to run from 9am to 5pm with two 15 minute breaks, and an hour for lunch.

Please try to arrive a few minutes early so that we can start on time; tea and coffee will be available on arrival. Come straight to reception on Level 10 and you will be shown to the room. You don't need to bring anything in particular with you, and lunch will be provided. You may like to bring a jacket as seminar rooms can be cool at times. It is usual for each student to be asked to briefly introduce themselves at the beginning of the day. Please advise if you would prefer not to do this.

Please phone your course presenter, Danielle Stein Fairhurst directly on 0405 101 441 if you are having any problems on the day.
